Remarks/Arguments

There are no amendments to the specification or drawings.

In the Claims, Claims 1-18 and 35-45 are pending. Claims 11-18 were previously withdrawn for being drawn to one or both of a non-elected invention and a non-elected species. Claims 19-34 were previously cancelled, without prejudice, for being drawn to non-elected inventions.

In the instant Office Action, Claim 11 was rejoined and considered by the Examiner. Further, Claims 1-11 and 35-45 are allowed. The Examiner noted that the application was in condition for allowance except for the presence of withdrawn Claims 12-18.

Above, Applicant has cancelled Claims 12-18, without prejudice. Applicant appreciates the Examiner's allowance of Claims 1-11 and 35-45 and agrees that the application is in condition for allowance pursuant to the above-referenced cancellation of Claims 12-18. Applicant respectfully requests that the application may be passed to issue at an early date.

Should the Examiner have any questions regarding the above, please contact the undersigned, J. Michael Johnson, Agent for Applicant, at telephone number (775) 849-3085.

Respectfully submitted,

RANDY K. RANNOW ET AL.
